PROBLEM

- Most of the students have technical knowledge, they are good in coding but still they are unable to crack the interviews

Lack Of Confidence

Lack Of Communication Skills

Lack Of Presentation Skills

AVAILABLE SOLUTION

Activities
conducted in
classroom

Project
presentations

WHY AVAILABLE SOLUTION IS NOT SUFFICIENT ?

01

Students does not perform activities with dedication

02

Most of the students does not know the importance of these activities

03

There is no compulsion on students to perform activities with dedication

SOLUTION

- A platform where students will compulsory upload their presentation/activities videos
- The experts will grade the students video on our platform
- Recruiters can see the presentation uploaded by the students.

PLATFORM (SKILLHANCER)

- <https://preskilet.herokuapp.com>

RESULT OF SOLUTION

1

Uploading presentation will improve their confidence

2

Expert grading on presentations will improve their communication skills

3

Recording and uploading of presentation will improve presentation skills

4

Campus placement will increase

CONCLUSION

- Solution will improve our students performance
- Solution will help interviewers to judge communication skills of candidate
